GETTING "PERFORMANCE-READY"

YouTube www.youtube.com and other websites We sometimes provide links to our conductor's recommended You Tube performance clips of choral pieces currently being rehearsed. It is a great way to get "performance-ready".

Spotify <https://www.spotify.com/uk/>: playlists of performance tracks of music we are learning can be made up on this website to help us with rehearsing.

The ChoraLine App

We recommend the [App](#) as the best way to use ChoraLine when rehearsing at home. Please click the link below for a 'step by step' guide on installing the [App](#) and watch a video showing how to use all the new features in the [App](#): <https://www.choraline.com/tips-for-the-choraline-app>

ChoraLine CDs

These are sold via the Choraline website by [Presto Music](#) (01926 886883) *Please note that Presto is a separate company from ChoraLine and have their own special discounts for ChoraLine CDs and Sheet Music. Please click this link for further information:*

Choral Clinic – Singing Tutorials for SATB Choral Singers (also available on the App)

These tutorials were recorded during 'lockdown' by two highly experienced choral singing teachers. There are four levels (Beginner, Elementary, Intermediate, Advanced) for every voice part (Soprano, Alto, Tenor, Bass). Please click the link below for further details and to listen to a recording made by the teachers to help you choose the level right for you:
